1 / 5

Videos on your site can maximise communication with your families and prospective families. Some schools like to take the user on a virtual tour of the school, others like to demonstrate a typical day in the school or highlight special events that have taken place at school. Your sponsor-ed website can support videos hosted by third-party sites such as YouTube or Vimeo.

Vimeo: <https://vimeo.com/>

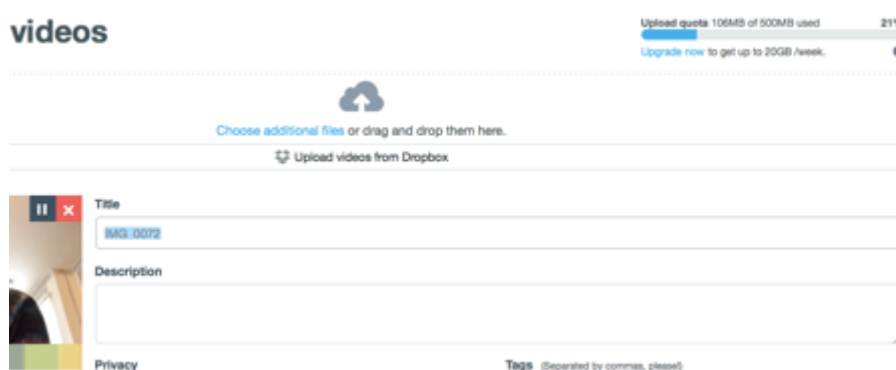

1. Assuming you already have a Vimeo account, login and click on Upload a Video.

2. Choose the video you wish to upload.

3. While your video is uploading, you can enter information about your video.

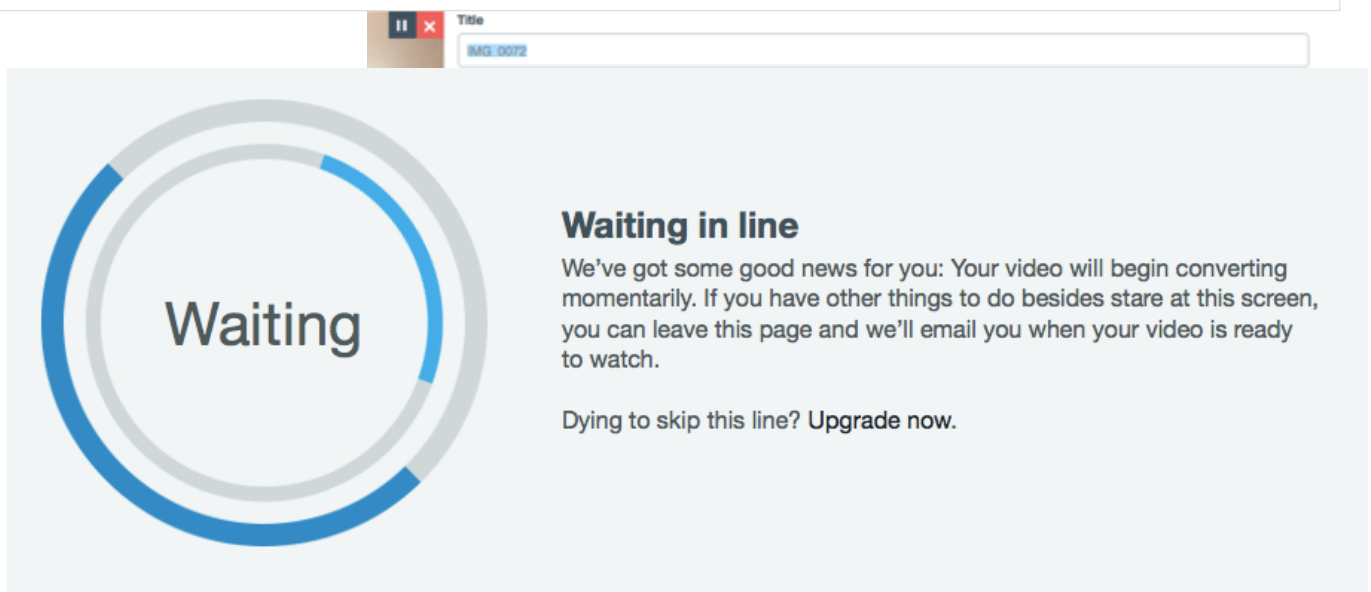

Uploading Videos

4. Once your video is uploaded you will see a message on the thumbnail of the video – click on this to proceed to your video.

5. You may have to wait for it to be converted – vimeo will send you an email when it is ready.

6. When your video is ready you will see a paper plane in the right hand corner – click on this.

Uploading Videos

7. Copy the embed code.
